

Dd x *Connie*

As a member of Design Denmark, you have exclusive access to the Danish contract and consent platform Connie.

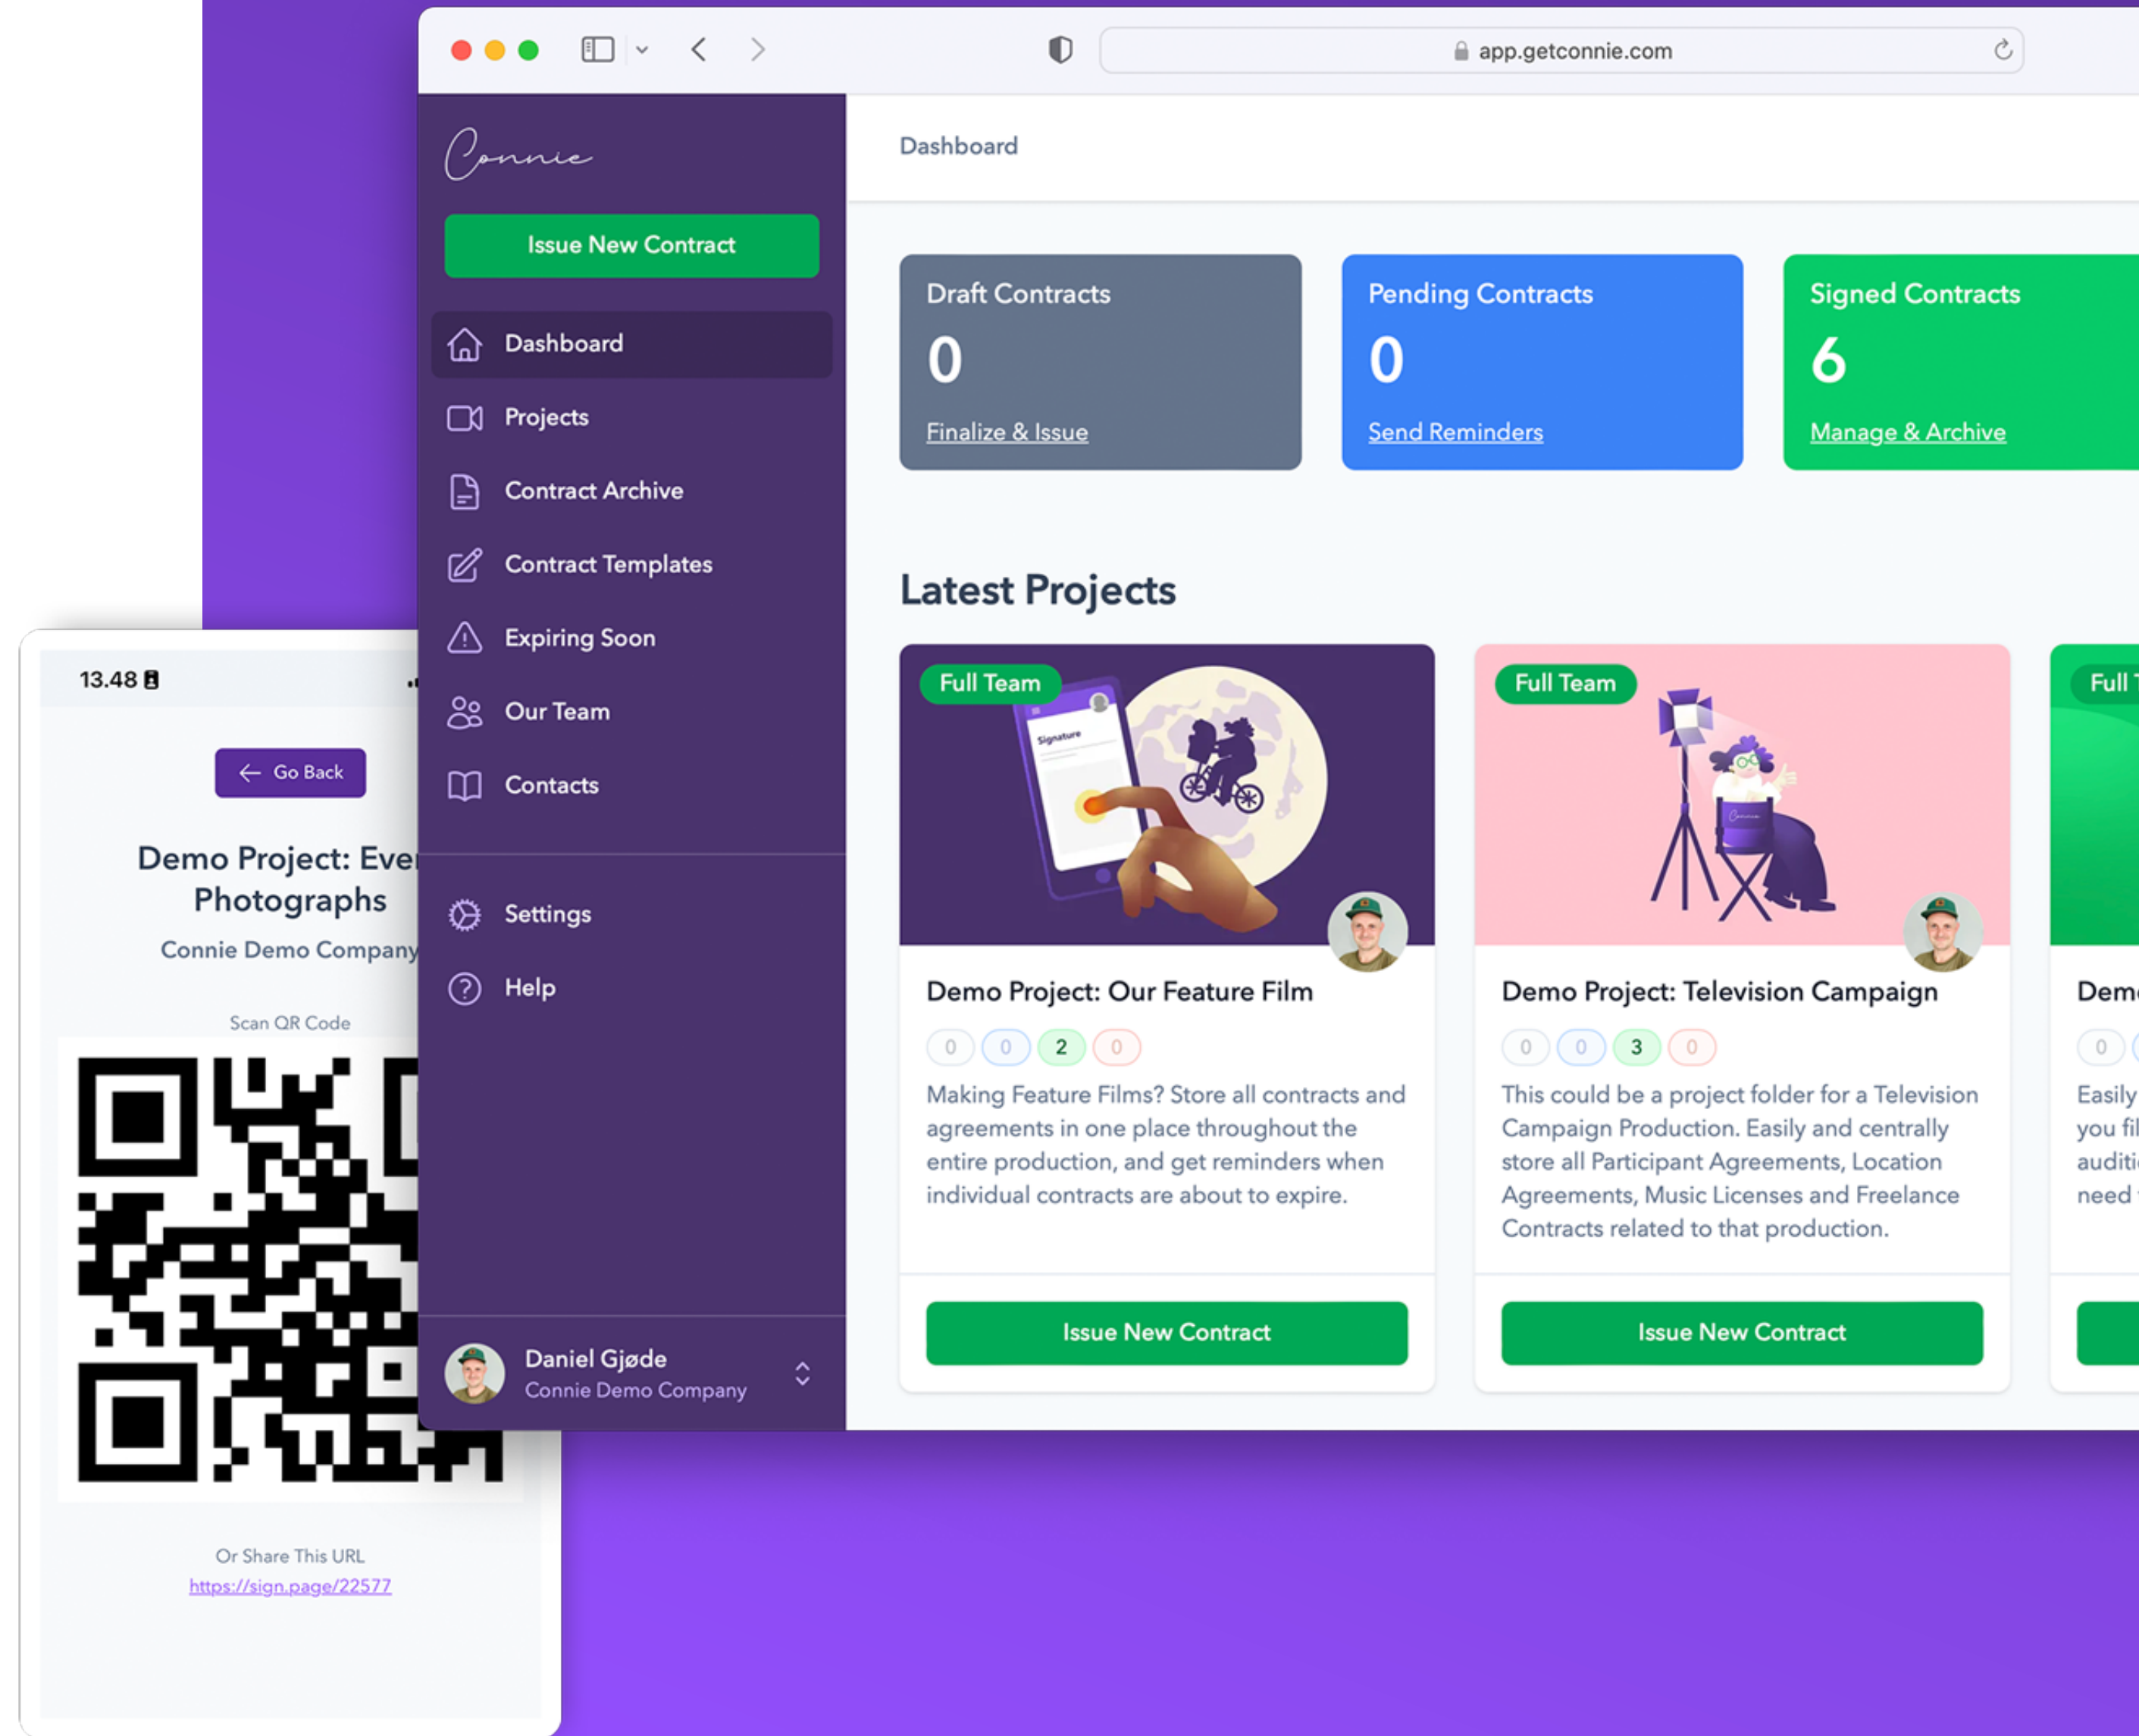

With Connie, you digitise your document management and as a result streamlines and speeds up the processing of all your agreements, consents and contracts.

Of course, you can also use Design Denmark's legal templates directly from Connie.

Connie

Meet Connie

Digitise and streamline your document management with Connie. Our simple and intuitive user interface is tailored for designers, creatives and content creators and ensures that personal data is stored securely and sustainably on Danish hosting providers.

Connie

Connie

Tailored Features

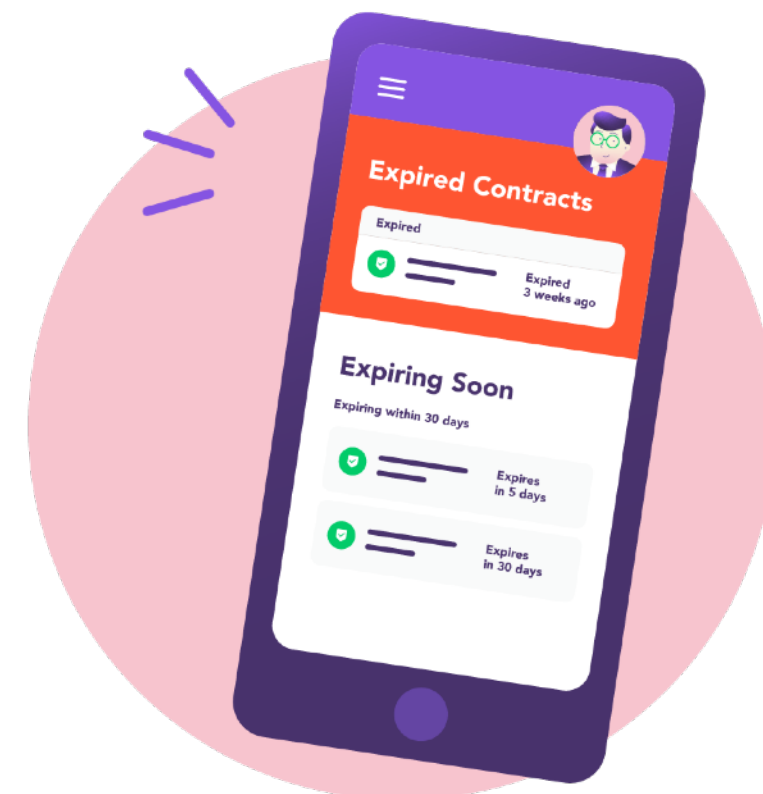

Handle all contracts, consents and agreements digitally with our complete eSignature platform.

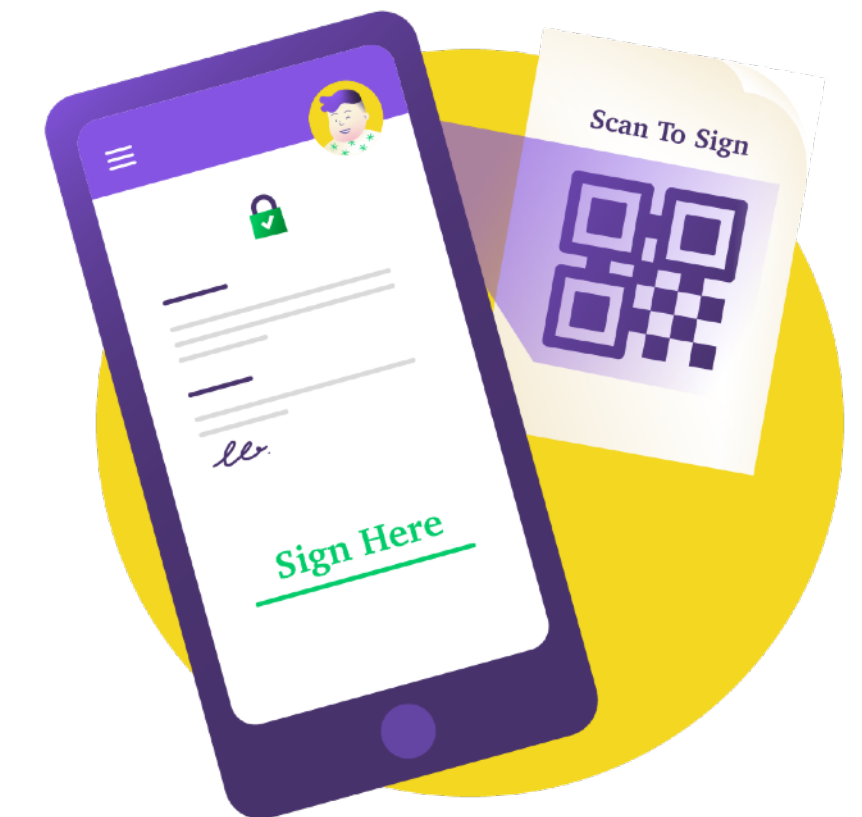

Use Design Denmark's agreement templates and create your own easily and quickly.

Be reminded when agreements need to be renewed or when consents expire and renew them quickly.

Collect consent or signatures from many at once via our public sign pages.

[+ much more to help you save time](#)

Connie

Simple & Digital
